**Asynchronous Transfer Mode Cell Relay Service Agreement**

AGREEMENT restated this 10th day of January, 2005 by and between Verizon, formerly Bell Atlantic, a New York Corporation having its principal place of business at 1095 Avenue of the Americas, New York, N.Y. 10036 and Carrabec High School/MSAD#74 (Customer).

1. Customer hereby requests that Verizon furnish ATM Cell Relay Service as set forth in paragraph 6, following.
2. This Agreement applies only to ATM Cell Relay Service as set forth in paragraph 6. Other services furnished by Verizon to the Customer are not covered by this Agreement.
3. Verizon shall furnish ATM Cell Relay Service in accordance with and subject to the terms and conditions set forth in the State of Maine Contract for Special Services "Special Contract for Verizon Enterprise Asynchronous Transfer Mode Cell Relay Service".
4. Customer agrees to a 60 month service period for Cell Relay Service governed by this Agreement. *The 60 Month period, based on the original signed contract runs from July 1, 2002 until June 30, 2007. This restatement covers the E-rate period of July 1, 2005 thru June 30, 2006.*
5. If the Customer, during the term of this Agreement, elects to change any or all of the Cell Relay Service Port Connections included in this Agreement to another Verizon cell based data network service, the Termination Liability Charges associated with those Port Connections being changed, is waived.
6. The Customer requests that the following quantities of Cell Relay Service be included in this Agreement:

Qty	Description	Bit Rate	Monthly Rate
1	45 Mbps Cell Relay Service	45M	~2275

7. The requested service date is already installed.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their duly authorized representative on the day and year first above written.
